

*Ontex is looking for a*  
**Plant Controller**

---

Ontex is a fast growing international company where people are the most valuable asset. To reinforce Finance we are looking for a Plant Controller, reporting directly to Finance Director.

***Your role***

---

- Provide financial and analytical support and serve as a key business partner and advisor to the Plant Manager and Plant Staff
- Perform the monthly CO-closing of production figures of plant in SAP system on time
- Analyze and accurately report the monthly plant results on time to management including performance comparisons to plan and forecast
- Lead the preparation of annual budgets and ongoing forecasts
- Prepare and analyze daily, weekly, monthly manufacturing activity
- Lead cost deployment activities throughout the facility
- Calculate cost price of new products on the basis of specific sales requests
- Check of standard product costing
- Control new BOM and routines and release product costing in SAP
- Provide financial requirements and follow up the capex projects
- Ensure costing accurately reflect production operations

***Your profile***

---

- University degree preferably in Business, Economics and Industrial Engineering departments

- Min 5 years of experience in cost accounting/manufacturing experience
- Fluency in English
- Proficiency in SAP/BI and MS Office applications
- Strong oral and written communication skills
- Ability to research, compile, analyze and interpret data
- Possess strong organization and time management skills
- No military obligation for male candidates
- The workplace of the position is Selimpaşa/Silivri

### ***We offer you***

---

- Working for Ontex means working in a unique environment where local and international talent truly work and win together; where people are encouraged to share their experiences and take real responsibilities. Of course, you will work under the best possible conditions, where experienced colleagues are ready to assist you.
- As a leading multinational, Ontex will reward your performance according to your expertise and potential.
- If you have the drive, the talent and the individuality to push our Finance department to a higher level, we know just the place to come and show it...

### ***Interested?***
