

A photograph of two women in a laboratory or office setting, looking at something together. The woman on the right is wearing a white lab coat. The image is partially obscured by a blue and purple wavy graphic at the bottom.

Ontex is looking for a **Technical Product Responsible**

Ontex is a fast growing international company where people are the most valuable asset. To reinforce Supply Chain we are looking for a Technical Product Responsible, reporting directly to Planning Supervisor.

Your role

by reporting directly to the Planning Supervisor;

- Determines the optimum size and layouts of pallets and outer packs according to the customer needs in collaboration with the logistics
- Creates new product requests on the system and calculates the costs of the new products, pack designs and pallet layouts
- Checks the codes generated in the system of the approved new products
- Provides the related information about new products to the sales and marketing departments

Your profile

- University degree preferably in Industrial Engineering or related departments
- 2 years experience at manufacturing companies in similar new product start-up processes
- Fluency in English
- Strong communication and coordination skills, solution minded, high planning capability
- Good at MS Office; SAP knowledge will be an asset
- No military obligation for male candidates

We offer you

- Working for Ontex means working in a unique environment where local and international talent truly work and win together; where people are encouraged to share their experiences and take real responsibilities. Of course, you will work under the best possible conditions, where experienced colleagues are ready to assist you.
- As a leading multinational, Ontex will reward your performance according to your expertise and potential.
- If you have the drive, the talent and the individuality to push our Supply Chain department to a higher level, we know just the place to come and show it...

Interested?

- Please send your CV and motivation letter to jobs.istanbul@ontexglobal.com before 31th of May 2016.
